Using the Remote Control

You use the remote control to place calls, adjust the volume, navigate screens, and select options.

Access the online help; see system status in a call

Store camera presets (when followed by a number); delete all camera presets

Cycle through display layouts

Select a far-site camera or video source

Navigate through menus

Increase or decrease the sound you hear from the far sites

Select a near-site camera or video source

Return to the previous screen

Place or answer a call

Display the onscreen keyboard to enter text

Display menu of optional features

Press once for a dot, twice for a colon, three times for an asterisk

Press to power the system on; hold to power off

View button presses and various menus

Select a camera or other video source

Start and stop sending content to far sites

Confirm your current selection; perform functions on highlighted items

Zoom the camera in or out

Mute the microphone audio you're sending to the far sites

Return to the home screen

View or manage directory entries

End a call

Delete letters or numbers

Enter letters or numbers; move the camera to a stored preset position

Control a programmed recording device
